# News from Hawke's Bay

**Woodford House:** Year 12/13 students enjoyed an end of year dinner at the **Café Tennyson Bistro** on 12 November. The service was all done in French by a lovely waitress from Biarritz and the food was beautifully authentic. A lovely way to end a 5-year journey of learning French together.

Year 9 and 10 French classes were treated to a performance by Australian Sean Murphy, alias Mama Dojo, a professional educational entertainer, on 16 November. It was called **TIGUIDOU** which is the French-Canadian word for 'great!'. He is contracted by the Canadian Embassy to do a promotional interactive show for Years 7-10 about French-speaking Canada. This was a fun-filled hour delivered via Zoom from Brisbane and really informative. The students loved it and learnt a lot. For more information please see:
